

DIRECTIONS TO MAKANALANI

YOUR GATE CODE: (Given once confirmed arrival time.)

NOTE:

- PLEASE use **only** these directions, do NOT use Google Maps, Mapquest or similar.
- PLEASE do NOT invite anybody to the property unless you **first** send them these **same exact directions**. They work, others do not.
- Do not mark the driveway on the highway with balloons, ribbons, signs etc etc unless you first check with us. There are Association rules we must observe.

GENERAL:

The **Makanalani gate** is on the highway near **Kilauea** on the **mountain** side of the highway, **between mile markers 22 and 23**. It is in a **heavily wooded** section, with **red Ti plants** growing on the side of the highway to mark the turn off. Start to look for the **red Ti plants** on the mountain side of the highway after you have passed the correct mile marker. Inside the gate you go **left** and follow the **signs**. Drive **very slowly!** Park away from the house, not at the front door.

DETAIL:

From Kapaa side:-

Go past mile marker 22, and then take the SECOND driveway on the mountain side (turn left at the red Ti plants) about 400 yards after the mile marker, just before the bend

From Princeville side:-

Go past mile marker 23, and then take the SECOND driveway on the mountain side (turn right at the red Ti plants), just after the bend in the highway

- Our gate is a very **large wooden ranch-style gate**. There are some more **red Ti** plants right next to the gate.
- The keypad where you enter the gate code will display 'Makanalani'. If it does not you're at the wrong gate.
- After entering the gate, immediately turn **LEFT**.
- Follow the **signs** to the Kids House. (That takes you almost a mile back towards the mountains, and mostly follows the fence line).
- **VERY IMPORTANT:** Drive **very slowly**, walking speed, even if you're late. Enjoy the scenery and relax.
- Drop off passengers/luggage at the front door in the Porte Cochere, then park up at the utility shed beyond the house. Do not leave any vehicle in the Porte Cochere.

AGAIN, NOTE:

- PLEASE use **only** these directions, do **not** use Google Maps, Mapquest or similar.
- PLEASE do NOT invite anybody to the property unless you **first** send them these **same exact directions!** They work, others do not.
- Drive **VERY** slowly, no exceptions!

Thanks!!
